VICTOR CORPORATION

About Us

Victor Corporation was founded in 2002 and established itself in the commercial market throughout New Mexico. Our mission is to deliver outstanding services, quality products, and build lasting relationships with our clients. Our staff believes strongly in establishing partnerships, building trust, and delivering well executed projects, on time and in budget.

As a General Contractor, we are committed to a progressive safety program, precise project management, and implementing both internal and external quality control systems. Our staff works continuously to improve performance and customer satisfaction through training and continuing education.
